Fuel Surcharge

Dear Customer

I am sure you are aware that the price of fuel has risen considerably in recent months and is now approaching the point at which our fuel surcharge will be re-introduced (last in place July 2015). The surcharge will only be applied when the average price of diesel exceeds 95p per litre excluding VAT for a period of one month.

The escalator will be used to evaluate the appropriate level of surcharge and is monitored and adjusted if necessary on a monthly basis. We use the price per litre published by the Road Haulage Association to set our rate.

Details of the applicable banding will be available on our website www.redhead-int.com and updated monthly.

Band	PPL excluding VAT	%
A	Less than 95	0.00
B	95.01 – 100.00	1.25
C	100.01 – 105.00	2.50
D	105.01 – 110.00	3.75
E	110.01 – 115.00	5.00
F	115.01 – 120.00	6.25

I trust you will appreciate our reasons for taking this action and thank you for your continued support.

Yours faithfully
For and on behalf of Redhead Freight Ltd
